

The DUNAS XL WOOD collection, designed by Christophe Pillet, completes the family of seating DUNAS XL with two new and original bases made of natural oak wood which add warmth to this collection of elegant armchairs. The bases in oak wood, available in fixed or swivel versions, can be combined with comfortable upholstered seat bodies that are produced in two heights. The two base models are made of natural oak wood and the body of the armchairs can be upholstered in all the fabrics and leathers of the INCLASS swatch card or with fabric supplied or specified by the customer. Its essential elegance, the wide range of available finishes and the warmth of the wooden bases make these chairs ideal for all kinds of lounge spaces for both public and private use.

#### DESIGNER: Christophe Pillet

Christophe Pillet graduated from the Decorative Arts School in Nice in 1985, Master of Domus Academy Milano, in 1986. He worked with Martine Bedin in Milano from 1986 to 1988 and cooperated with Philippe Starck, in Paris, from 1988 to 1993. Since 1993, he manages his own design agency. Pillet was elected as "Créateur de l'année 1994". During his career he has published many articles on the most important magazines of the world. Lucidity of expression and the search for simplicity are the key principles: in the work of Christophe Pillet the elegance is optimized. Pillet's perfect command of sensuality and refinement has made him one of the rare French designers who have gained global recognition designing hotels, boutiques and directing artistic projects in Europe, USA, and Japan. He has won international acclaim for the spectrum and quality of his creations. Architecture objects, furniture, artistic direction, his signature is invariably associated with the best furniture companies and with the finest luxury brands: Trussardi, Lacoste, Moët et Chandon, Veuve Clicquot, Lancome, Shiseido, l'Oréal, JC Jitrois, Catherine Malandrino, Lancel, Le Tanneur International... The scope and the variety of his projects share a common attitude, independent of scale. Whether it be as design director for renowned fashion brands, or in longterm collaborations with first class furniture brands, his considered interpretations are a testo high-voltage chic, distinguished both by its precision and rigor. If a "Pillet style" exists, it is in his ability to crystallize, within a project, the excitement of a proposition.

## SEAT BODY

It is manufactured with an inner steel structure covered in mould-injected CMHR high-density, high-resilience polyurethane foam. The body is produced in two heights for the swivel version and with a low backrest only for the four-leg version.

**Upholstery:** Available in any fabric or leather from the INCLASS swatch card and also in fabric supplied or specified by the customer.

## BASES

Manufactured in two versions:

### Four-star wooden swivel base.

The base is manufactured with an inner steel structure and oak wood spokes coated in a natural, walnut or wenge varnish. Optionally they can be lacquered in black, white or in any special colour from the INCLASS chart.

**Pads:** Includes pads with a felt surface, suitable for hard and delicate surfaces.

### 4-leg wooden base.

The base is manufactured from premium-quality solid oak wood coated in a natural, walnut or wenge varnish. Optionally it can be lacquered in black, white or in any special colour from the INCLASS chart.

**Pads:** Includes pads with a felt surface, suitable for hard and delicate surfaces.
